

Washington D.C.- Congressman Steve King (R-IA) released the following statement after United States Representative Gabrielle Giffords was shot during a public event in Tuscon, Arizona today.

“My prayers continue to be for Gabrielle Giffords, her family, her staff, and all those that are in agony today,” said King. “We serve together and she is outgoing, personable and widely respected. It is inconceivable that anyone could harbor a vile, vindictive or malicious attitude towards her. I will continue to pray for her swift recovery and for the recovery of all those injured in this tragedy.”
